

The Chocolate Graphics Opportunity

Chocolate Graphics International invites you to become part of the most innovative Chocolate Retail Store Opportunity in the global market.

With the international chocolate market currently worth around US\$80 billion per year, the opportunity for this product is endless, the market is huge and there is no other product that can deliver the same high quality and product variety.

Experience the decadence of delicious chocolate with unique high definition graphics on chocolate!

Chocolate Graphics offers you the perfect gift solution. Any photo, logo, graphic or message can now be embossed on chocolate with chocolate!

The end result is a product 100% made of chocolate! Customers will be able to surprise and delight family, friends and associates with our innovative, personalized chocolates.

As a Chocolate Graphics retail store owner, you will be offering your clientele a complete range of gifts for every major holiday, as well as for all of life's special occasions and events, including birthdays, anniversaries, weddings, graduations and more.

Take advantage of this opportunity to become a Chocolate Graphics Franchisee with exclusive rights in your preferred territory, backed by an internationally patented process and the support of a worldwide network of Production Centers.

Why Chocolate Graphics?

Chocolate Graphics owns patent protected state-of-the-art laser and automated technology. Used by its Production Center Franchises throughout the world, this technology has been continually enhanced and upgraded to include new features, and allow a semi-automated Production Center to make up to 100,000 handmade embossed chocolates per day.

Since 1999, Production Centers from Mexico to the United Kingdom, from Australia to Dubai, from Japan to Romania and throughout the USA have been successfully producing unique, personalized chocolates for corporate, hospitality and other clients. With the advent of Chocolate Graphics Retail Stores, new Retail Franchisees will be able to tap into the growing chocolate gift market!
